SPONSORSHIP OPPORTUNITIES

Rediscover Wonder is the inaugural fundraising event for the Geneva Lake Children's Museum. We are an IRS-recognized 501(c)3 organization, formed in order to build and furnish an interactive children's museum consisting of approximately 20,000 square feet of play, learning and community space. Our attendees are supporters of creating a space in our community for children to grow and thrive through intentional play.

As a sponsor, this is an opportunity to network and align your brand with a new, local charity that prioritizes education, community and family.
